

# The 1905 Society

The goals Northwest sets for itself continue to be ambitious, inspiring and visionary. The 1905 Society commemorates the establishment of the Fifth District Normal School in 1905 and the culmination of a 30-year struggle to bring higher education to the region.

These donors provided a minimum of \$1,000 in unrestricted monetary support that is vital to achieving the possibilities that pave a brighter future for Northwest and its students.
