STATEMENT OF POLICY

Anyone who utilizes University parking facilities must have a valid Northwest parking permit properly displayed on their vehicle. The Horace Mann parking permit is a valid Northwest-issued parking permit and allows vehicles to utilize the circle drive (Lot 56 on map) in front of Brown Hall for a maximum of 45 minutes while picking up and dropping off infants and toddlers. Parking in Lot 56 longer than 45 minutes will result in a parking citation.

The Horace Mann parking permit also allows parents/guardians to utilize lots 55, 57, and 59 on campus if their business will detain them longer than 45 minutes. Having a parking permit does not guarantee a parking space.

It is the sole responsibility of the vehicle driver to locate a valid parking space. These regulations are applicable to all members of the University community which includes, but is not limited to, students, parents and family of students, faculty, staff, and visitors. Parking and traffic enforcement is conducted 24 hours a day, 7 days a week, 365 days a year.
